

Crazy Christmas

Tekst en muziek: A. Vis

Crazy, crazy, cra-azy Christmas...

Couplet 1:

When you wake up in the morning
One thing you know
It's a day for a party
I really think you should go

Make your magical moments
Then you'll be fine
Celebrate together
Family and friends combine

Refrein:

Go for a Crazy Christmas
Make your wish come true
Everyone together
Do the things you never do

Go for a Crazy Christmas
Make your wish come true
It's the most beautiful time
For me and you (*1e keer: Crazy!*)

Couplet 2:

There are no inhibitions
Everything is allowed
As long as we can enjoy it
That's what this party's about

Make your magical moments
Then you'll be fine
Celebrate together
Family and friends combine
